Know-how

Meet your quality requirements in the best lead times and at the most competitive price, to match or coordinate your linen with your interior decoration : apartments, villas, hotels, chalets, sailing boats, yachts...

Custom made :

Manufacturing luxury sets of bed linen, bed spreads, tablecloths, for standard or customized sizes.

Fibers :

We use exclusively 100% natural noblest and finest fibers selected with care, for example percale of combed cotton from Egypt, plain or damask satin cotton and linen. We can also make linen from your own fabrics.

The exceptional, our every day life !

We supply most of the major brands of fashion and linen, and we can offer you the same quality at manufacturer prices.

Wholesaler :

The objects that are not made by us have been selected for you from the best manufacturers for the quality of their products but also for their price.

Best quality :

The high quality of our services and products have made our reputation for more than 80 years with faithful and prestigious customers : decorators, luxury linen shops, large administrations and individual customers around the world.

Very selective prices :

We quote free of charge for each individual request.

Do not hesitate to contact us !

Embroidery & personalisation

Embroidery :

A unique and craft know-how to realise all your ideas, as a one time creation or in small series.

We use an authentic technique, (small stitch point) : thanks to manual guiding, the embroidery marries the shape of the drawing and takes reflections which gives a shining appearance to highlight the soul of the embroidered motive.

This craft technique allows :

- to match a tablecloth with your dinner service,
- to coordinate bath linen and bed linen with your decoration
- to reproduce children's drawings or pictures.

Creation of models on demand :

Adaption of drawings according to your special request, or you can also choose among thousands of available models.

Personalise your linen :

Initials, first names, logos, villa's name, monograms...

Friezes and motives embroidered

around a subject or to match with your decoration

 Made in France

Dining room

Custom made tablecloths :

As every table is unique, as the length of the fallen varies according to everyone's taste, all the tablecloths are made according to your dimensions. They can be made from damask satin of cotton, linen, muslin or percale of combed cotton from Egypt.
